# Awesome Me

We are awesome, you and me.  
Awesome means impressive, terrific, and inspiring.

We can laugh. We can listen.

We can play a clapping game.

We can even count all the letters in our name.

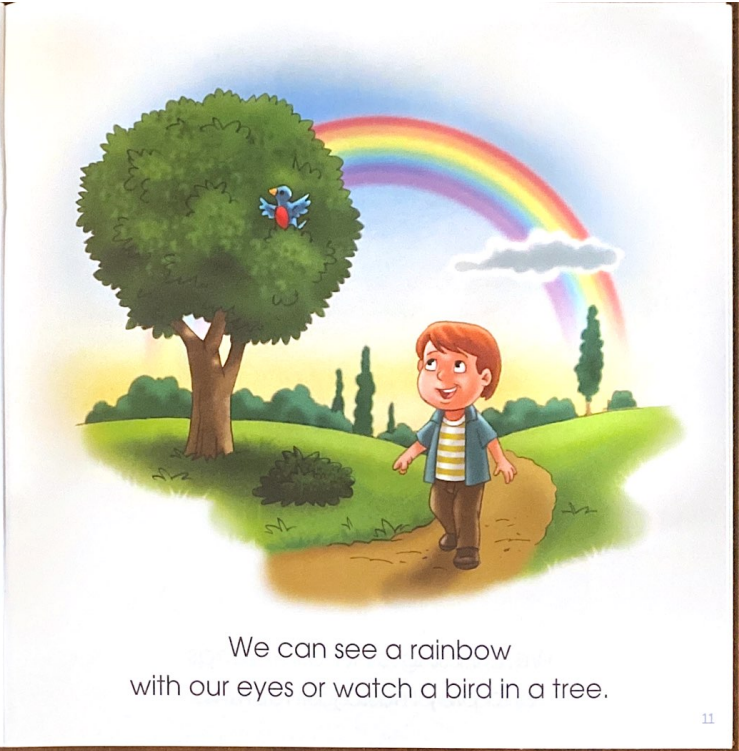

We can turn somersaults and jump over logs.

We can run fast and even hop like frogs.

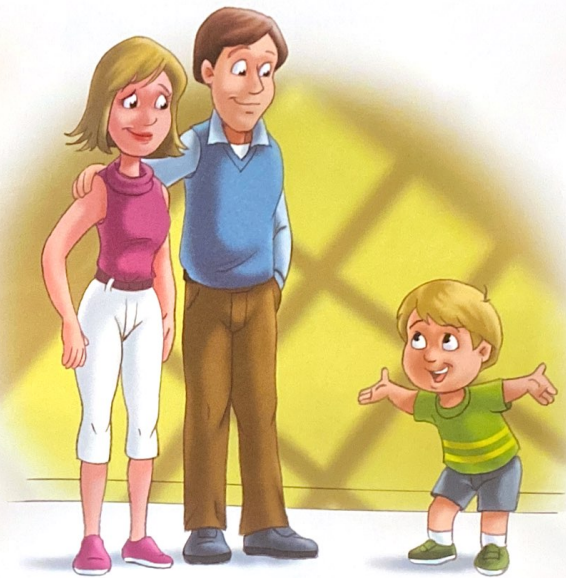

We can hear music with our ears  
and dance happy and free.

We can see a rainbow  
with our eyes or watch a bird in a tree.

We can sing all kinds of songs  
and play music just for fun.

We can tell stories about  
all the things we have done.

We can play tag with our friends outside.

We can look at books on a long car ride.

We are awesome, you and me.  
Remarkable, impressive, terrific, and three!
