Hands **up**.

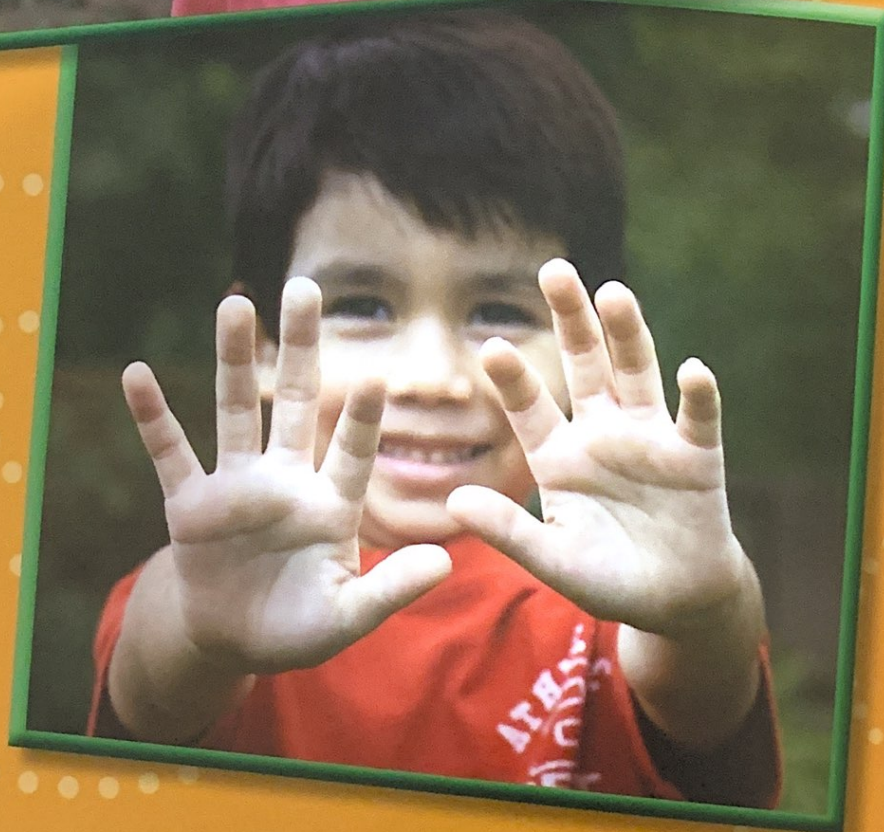

Hands **down**.

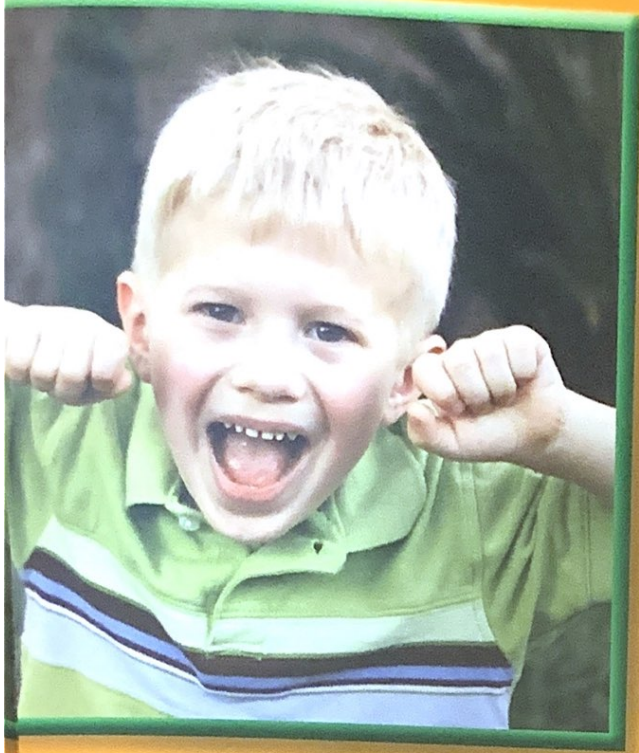

Hands twirling 'round and 'round.

Fingers up

and fingers **down**.

Fingers dancing all **around**.

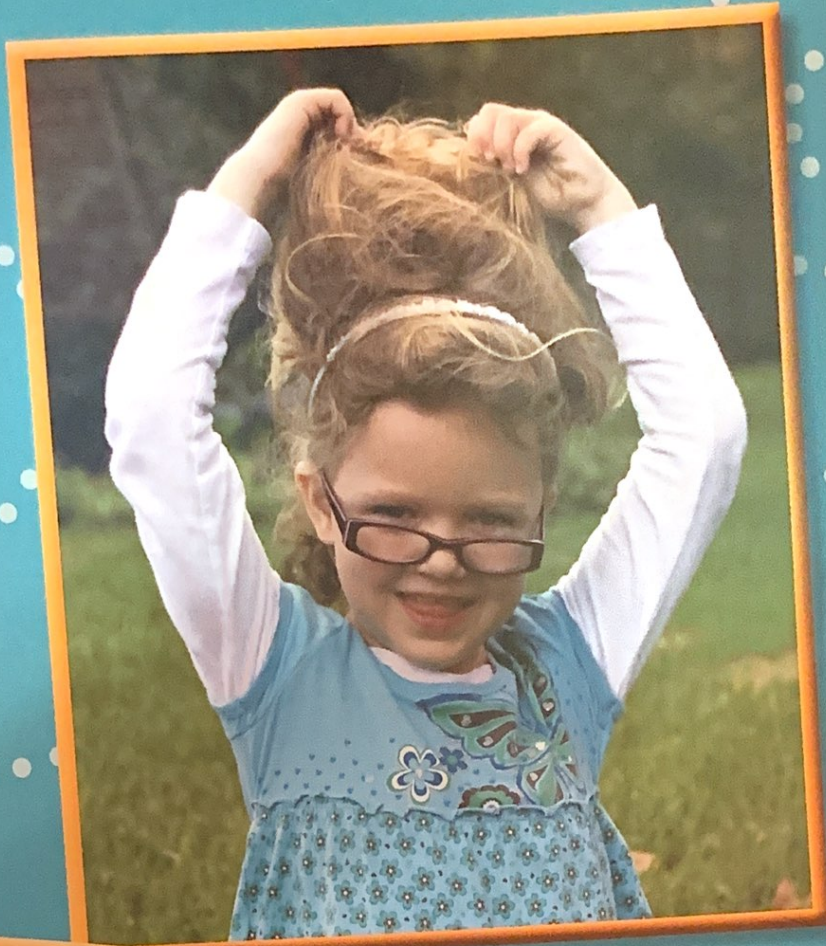

Dance your fingers **through** the air,

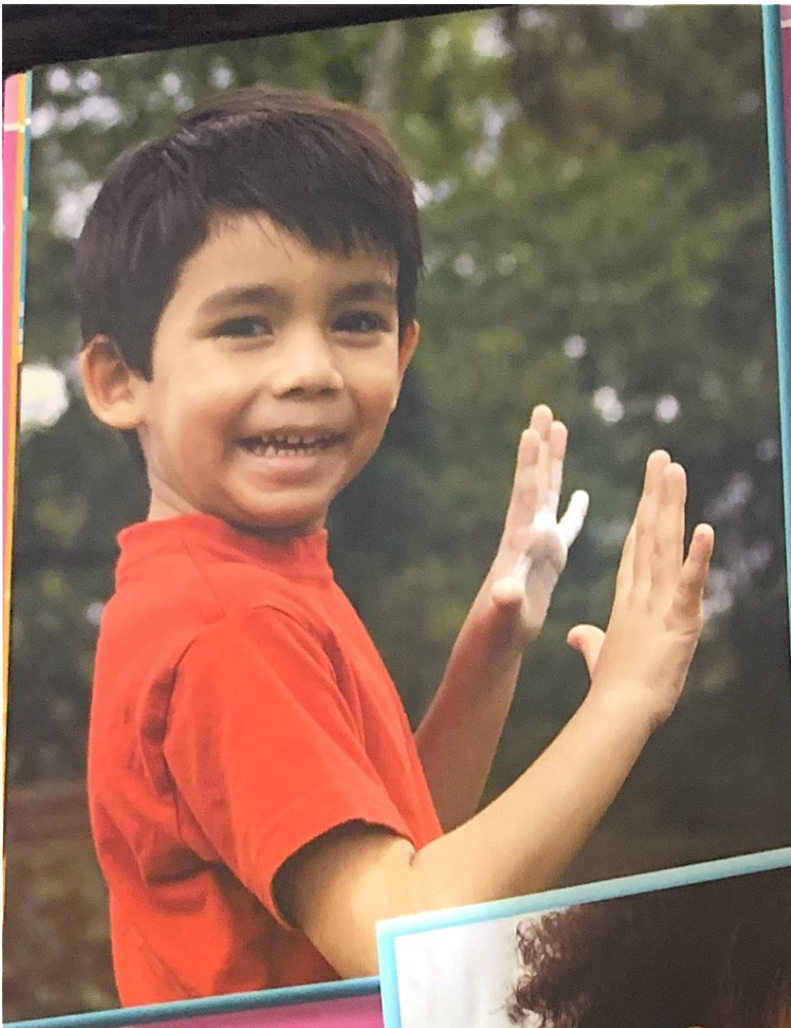

on your knees,

and **in** your hair.

Dance your
fingers **here**
and **there**.

Dance your fingers **everywhere.**

Hide your hands
between your knees.

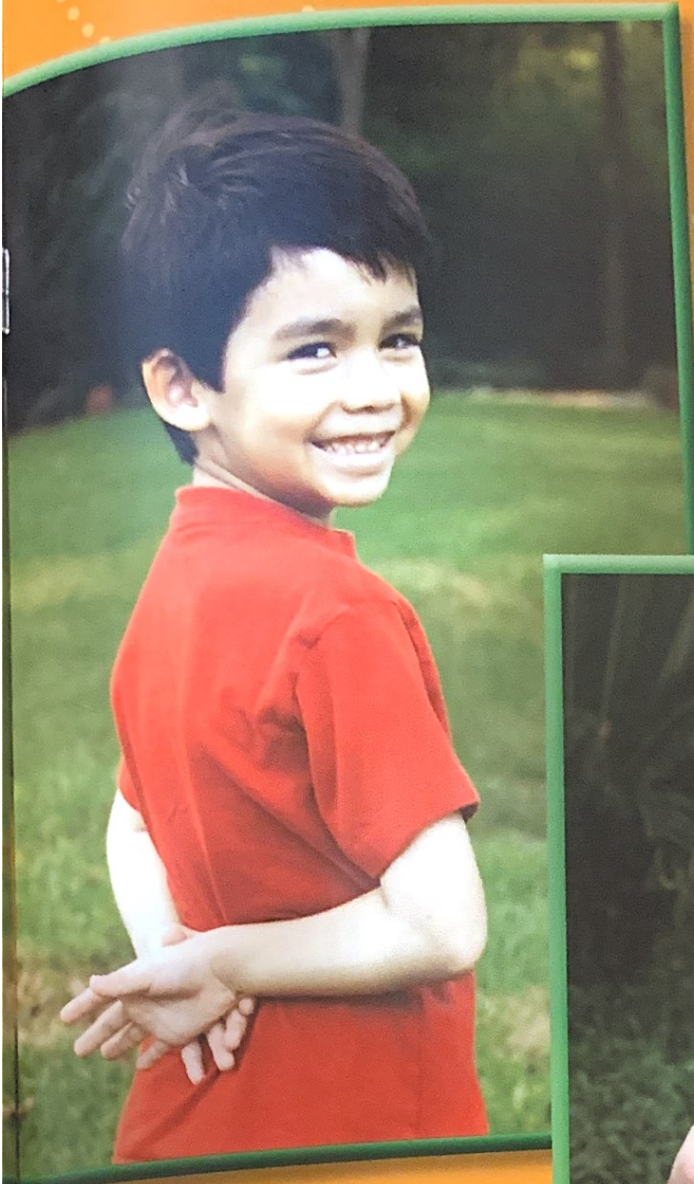

Fly them **out** like buzzing bees.

Behind your back—one, two, three—

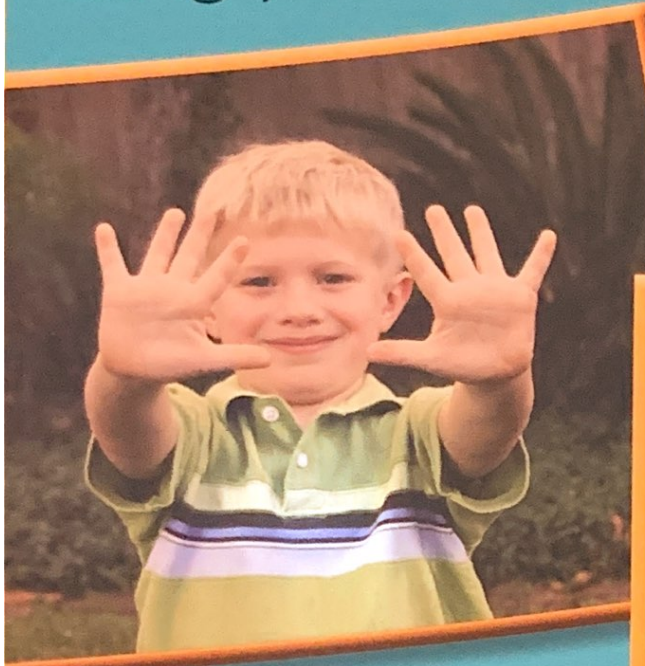

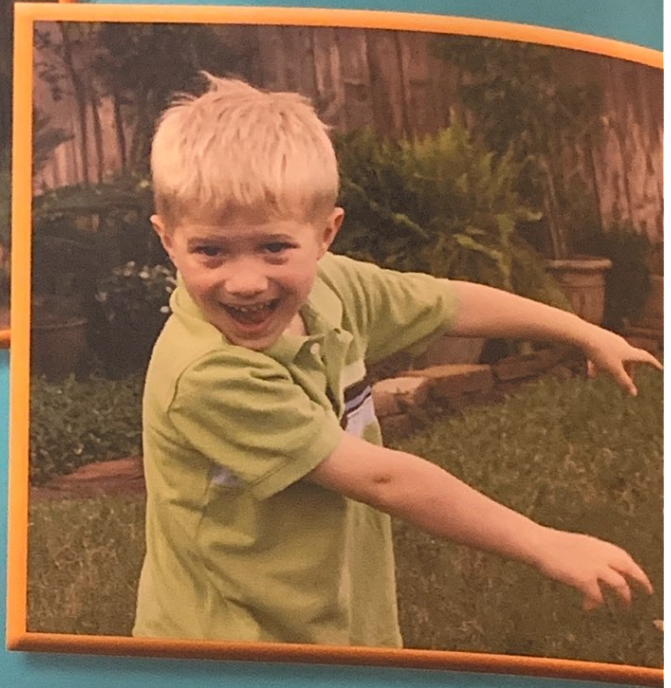

where, oh
where can your
fingers be?

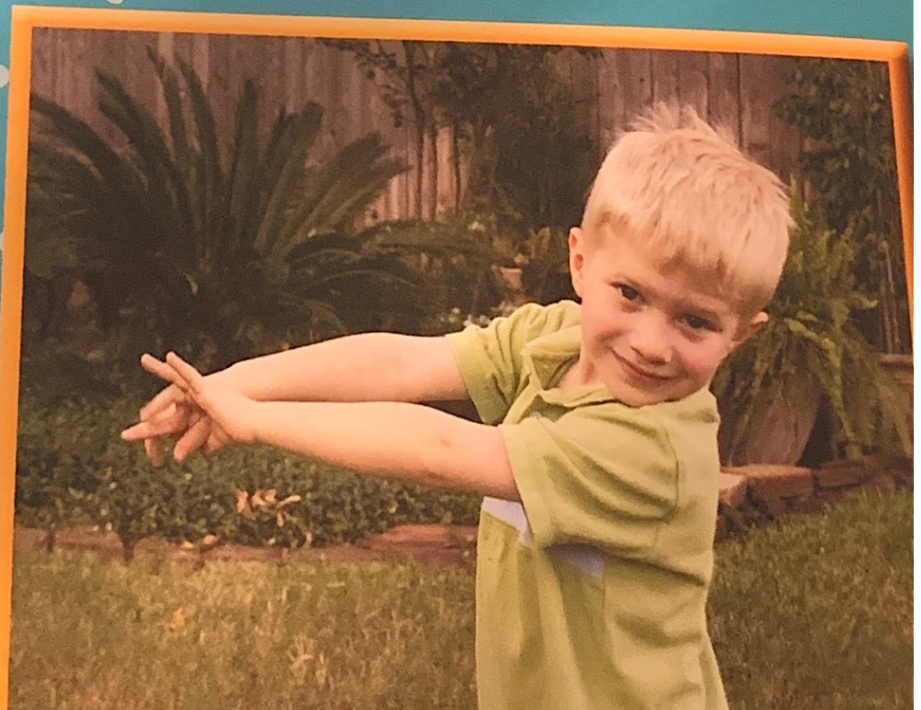

Bring your fingers back **in** sight.

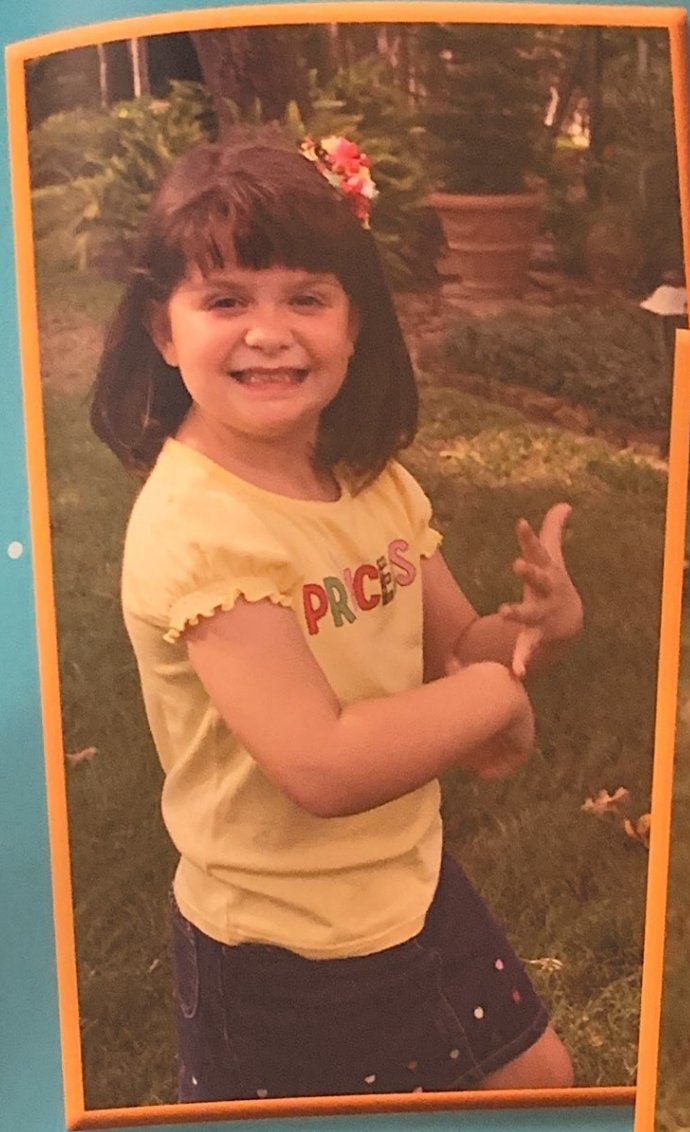

Fly them **left**

and fly them **right**.

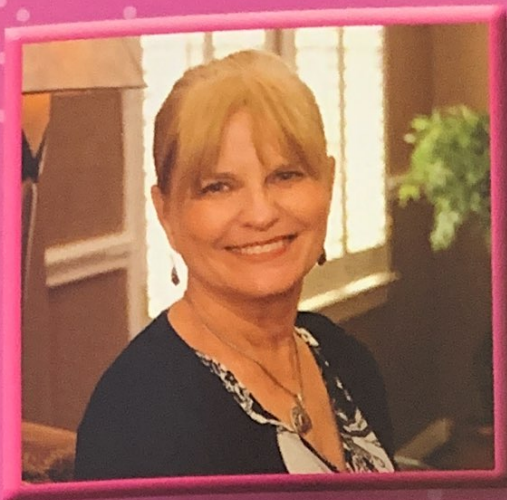

**Around and around and around
they go.**

Now place them **in** your lap just so.
