I like jumping,
yes I do.

2

I like jumping,
how about you?

3

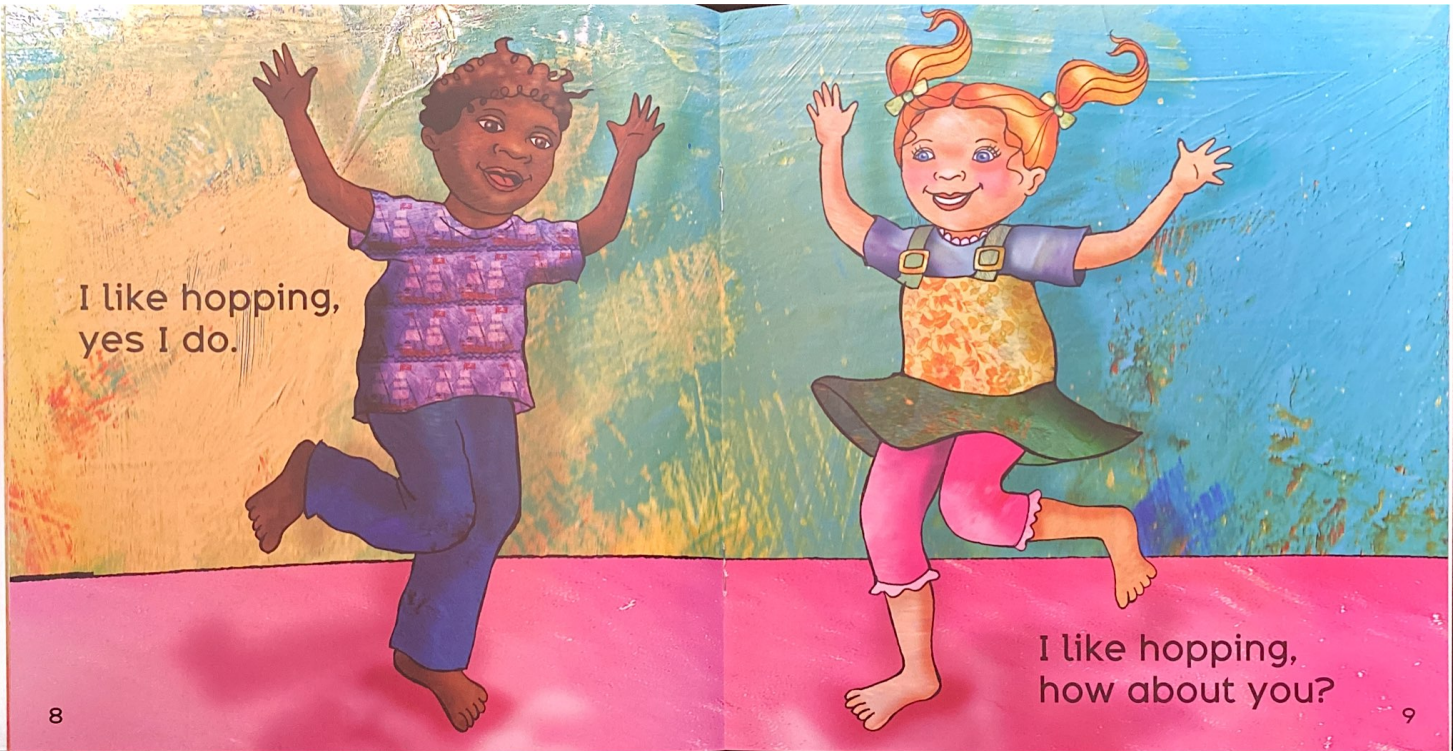

I like bouncing,
yes I do.

I like bouncing,
how about you?

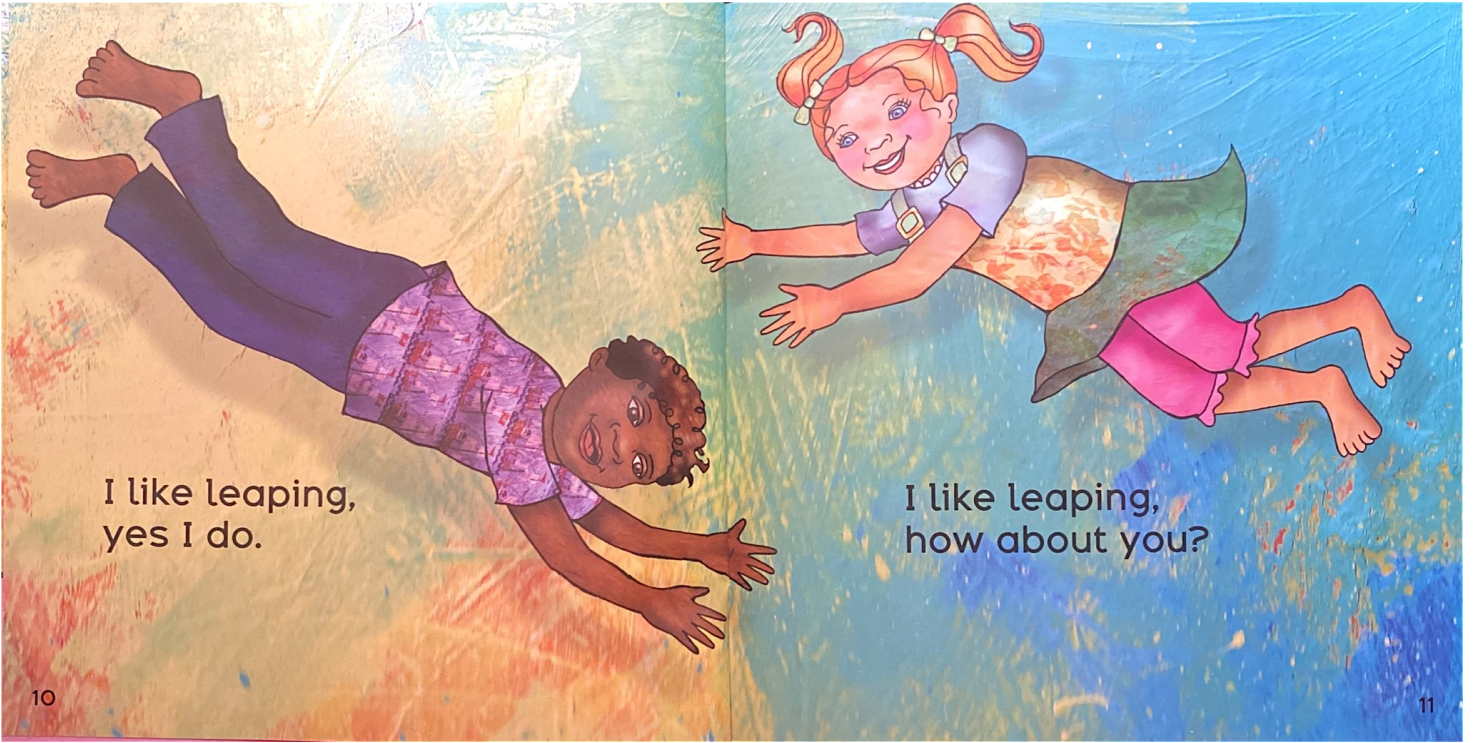

“Jumping is fun. Bouncing is cool. But not on the bed. It’s a safety rule,” called Mom.

An illustration of two children hopping on a pink floor. On the left, a young boy with dark skin and curly hair is wearing a purple patterned shirt and blue pants, hopping on his right leg with his arms raised. On the right, a young girl with blonde pigtails is wearing a purple shirt, a yellow patterned apron, pink leggings, and a green skirt, hopping on her right leg with her arms raised. The background is a colorful, textured wall with shades of yellow, green, and blue.

I like hopping,
yes I do.

I like hopping,
how about you?

I like leaping,
yes I do.

I like leaping,
how about you?

"Hopping is fun. Leaping is cool. But not on the bed. It's a safety rule," called Mom.

I didn't listen to
what Mom said.
I kept on jumping and
bouncing on the bed.

Oh no, too high!

Being safe is the right thing to do.
Next time I will listen, how about you?
